Welcome to out & about - your handy guide to Little Chefs in Britain. Be sure to keep out & about with you as it will help plan your route, stopping off at Little Chef for a relaxing and refreshing break to your journey. There are 435 Little Chefs in Britain and 4 in Ireland, so you're sure to find one that's convenient for you.

You can refuel at Little Chef or simply drop in for a top-up. We have filling meals, light snacks and drinks to suit all tastes. Even the prices are appetising at Little Chef. Ask your server for details of our great value meal deals and special kids meals. We have lots of tasty ways to save you money.

With the addition of Burger King restaurants at an increasing number of Little Chef sites, you can now enjoy their famous flame-grilled burgers as a take-away option and a tasty alternative to a sit down meal at Little Chef.

Travelodge offers excellent value accommodation at affordable prices in over 190 locations nationwide. You'll find them on all the major motorways, main "A" roads and city centres. Just call the Reservation Sales Centre on 0870 90 LODGE (56343) and you can simply turn-off the road and turn-in at Travelodge.

Refuel at Little Chef

When you're on the road it is important to make regular stops as this keeps you alert and improves your driving ability. Isn't it nice to know, therefore, that you can always rely on Little Chef when you need a refreshing break to your journey.

Knowing there is a Little Chef around the next corner or just a few miles down the road comes as a great comfort to our customers. Sitting down to the Little Chef menu and the promise of a deliciously satisfying meal served at your table is even more appetising when you've been driving for miles.

Why not feast your eyes on our delicious menu? We've always been famous for our breakfasts at Little Chef. Now they offer even

better value. Tuck into the Olympic for the ultimate treat,

or for something lighter try our Breakfast Bap

or a Continental. Unlike other restaurants

our breakfasts are available all

day, so you choose when to

stop and eat.

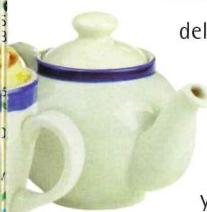

Little Chef voted the Best Roadside Restaurant in the 1999 Tommy's Campaign Parent Friendly Awards for the second consecutive year.

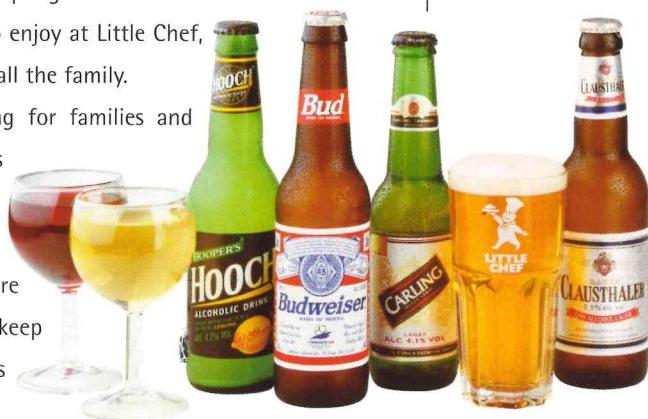

To complement your meal why not select one of our starters or for a tasty alternative choose one of our Lighter Options. For an alternative main course treat go spicy with Chicken Tikka, or for a more traditional meal try our Bangers & Mash - everyone's favourite. When you really want to spoil yourself choose from our delectable dessert selection including delicious Montana Mudslide Pie, Chocolate and Orange Mousse Sundae and traditional Jam Sponge and Custard.

There's so much to enjoy at Little Chef, you'll want to bring all the family.

We specialise in catering for families and children and our Kids Menu will keep your little ones well fed and never fed-up. There are puzzles and games to keep them amused as well as free lollipops for an after-meal treat. We take care of their baby brother and sister too with free Heinz Baby Food and baby changing facilities. To complete your refuelling at Little Chef we have our own shop with lots of goodies for the kids and handy items for the car. It's no wonder we're the motorists' favourite roadside restaurant.

* All menu items subject to availability.

Feast your eyes on our new design

The first in a new generation of Little Chef restaurants opened at Bluebell Hill, Chatham in 1998 (pictured below). Based on a traditional look and feel, the new style restaurants are a breakthrough in terms of design and build.

Factory manufactured, the modular units are transported to the location on flat-bed trailers and assembled on site!

The construction of these new units takes 6 weeks less than the traditional methods. This means that we can open more restaurants, more quickly, improving the service to our customers.

As well as the premier site at Bluebell Hill, we have also opened new generation restaurants at Kettering East, Maresfield, Chippenham, Kendal, West Knoyle and Newbury. With plans to introduce even more this year, wherever you travel you're sure to be able to visit one soon. We believe you'll be impressed, so why not tell us what you think? We always like to hear from our customers – whatever your views.

A tasty combination

Some two years ago the concept of the Burger King "Combi" site was first introduced at Little Chef to offer visitors to our famous roadside restaurants even more choice. Since the launch a significant number of Burger King Combi sites have been added to our network of Little Chef restaurants, and many more are planned over the forthcoming months bringing our grand total to 100 Combi sites by Summer 1999. Burger King is the perfect partner for Little Chef, as it offers motorists a quick and easy take-away option - a tasty alternative to a relaxing, sit-down meal at Little Chef. The take-away option has always been popular with motorists and the Burger King Combi sites really make a meal of it with flame-grilled burgers that are simply mouthwatering. You will find the exact locations for all the Burger King Combi sites on our comprehensive map listings on pages 10-25.

Travelodge offers excellent value accommodation in Britain for both business and leisure travellers. Conveniently situated throughout the UK in over 190 locations, Travelodges can be found on all the major motorways, on A roads and now in most major city centres.

Travelodge has done everything to make you feel more comfortable. Our rooms offer the facilities of a quality hotel, but at a value for money room rate.

Every room has free satellite television, an en-suite bathroom, a luxury bed and tea and coffee making facilities, making us one of the most comfortable overnight stays you can find. Our family rooms can sleep up to a family of four and can accommodate 2 adults and 2 children (under 12 years) comfortably. Please check the family room type when you book.

If you're on business all our sites have access to fax machines

and telephones so that you do not have to be out of touch with the office.

Travelodge offers great value for everyone and because you pay per room instead of per person, a family of four

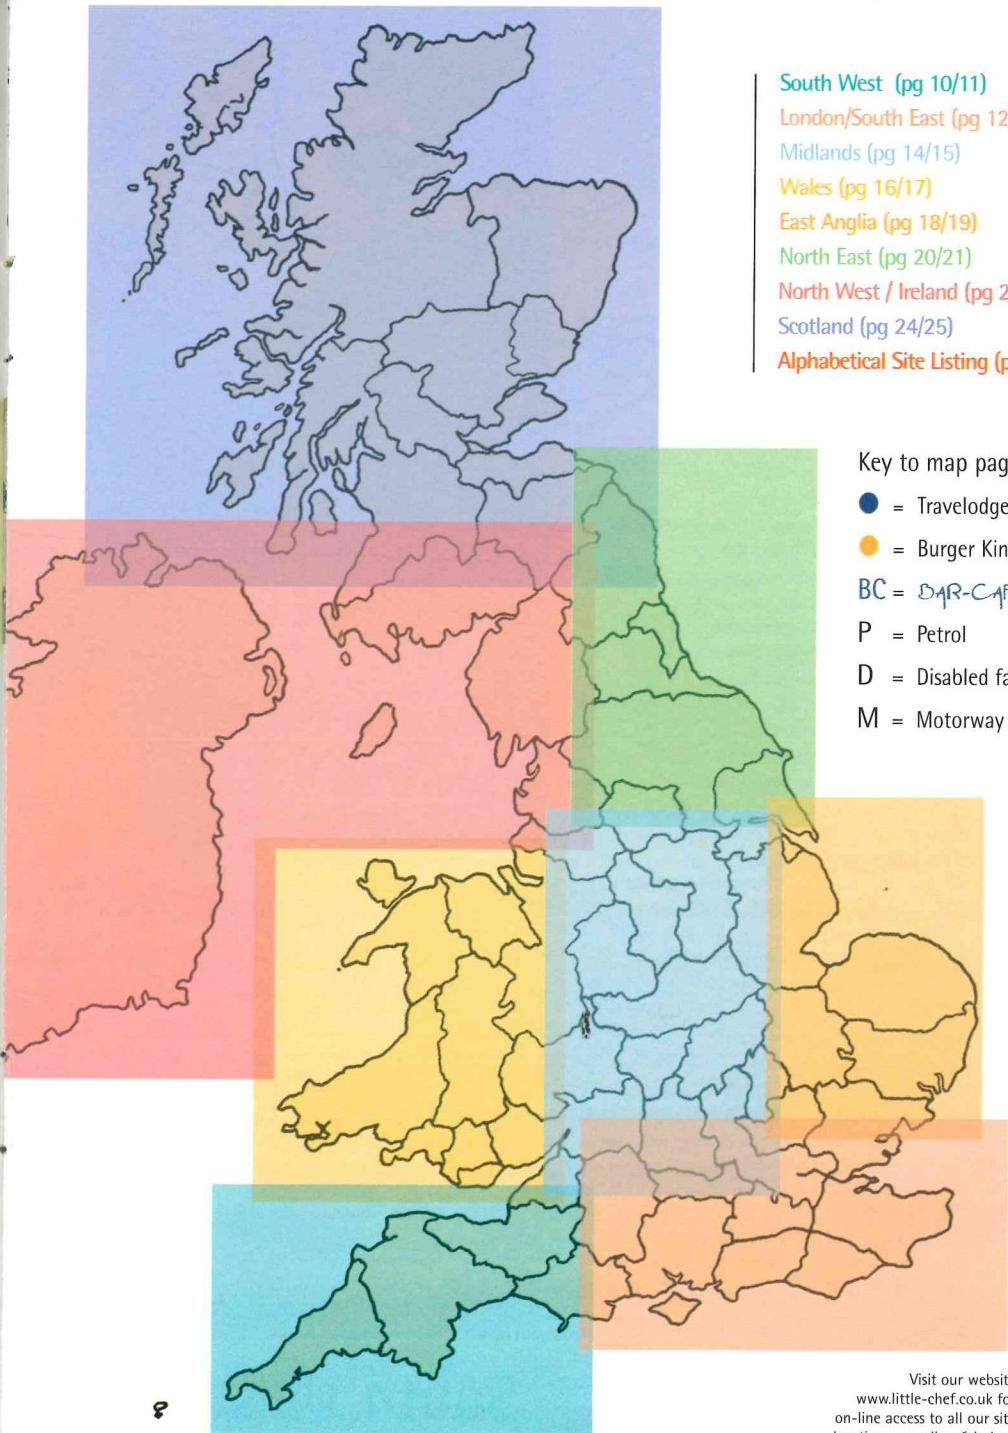

can enjoy a great weekend break without breaking the bank.

Many Travelodges are located close to major theme parks, museums, shopping centres, theatres and places of outstanding natural beauty. So, the next time you're out & about, it'll pay to turn-off and turn-in at Travelodge. To make a reservation call the Reservation Sales Centre on 0870 90 LODGE (56343) open 7 days a week 7am-10pm.
